

ACEP BRIEF (2019 - 2024)

Association of Consulting Engineers Pakistan

PRESENTATION ON SALIENT FEATURES OF ORGANIZATION (ACEP) AS PEB FOR IMPARTING CPD ACTIVITIES

The Association of Consulting Engineers Pakistan (ACEP) was founded in 1989 as a registered non-profit association to promote advancement of the profession of Consulting Engineers in Pakistan, disseminate engineering knowledge amongst members, foster ethical practices in engineering services sector and promote fraternity between public and private sectors.

ACEP is a representative body of consulting engineers in Pakistan and is the only body of consulting profession which is recognized by Pakistan Engineering Council (PEC). ACEP represents at international level and is the member of International Federation of Consulting Engineers (FIDIC).

ACEP has 140 members with its head office at Karachi and chapter offices at Lahore, Islamabad and Peshawar. ACEP protects the right of Consultants and provides a neutral forum to take up issues with Government and International Agencies to enhance the working relationship between these organizations and the Consultants. ACEP also serves as a body to which any Government agency can seek help or assistance in developing policies and legislation that is required to be passed through parliament and other legislative bodies.

PRESENTATION ON SALIENT FEATURES OF ORGANIZATION (ACEP) AS PEB FOR IMPARTING CPD ACTIVITIES

Continuous Professional Development (C.P.D) is an essential aspect of ACEP's activities. ACEP organizes events such as conferences, seminars, workshops, etc. These gatherings serve as platforms for networking, knowledge sharing, and recognizing the contributions of members within the consulting engineering industry. There are very senior engineers/ professionals working with our member firms whose experience is very valuable for our young engineers and training sessions are planned and organized by ACEP to promote the professional knowledge/ skill development and to ensure that they stay updated with the latest advancements and practices.

Since 2019, we have conducted following CPD activities / programs:

- CPD Category: Workshop CPD Activity: ADAPT Workshop jointly organized by ACEP / SterlingPT Pvt., Ltd., Karachi on Post Tensioned Design of Multistoreyed Buildings
Date: 22 & 23 February 2019 -
Location: Hotel Regent Plaza, Karachi
Duration: Full Day Program (2 Days)
Total number of Participants: 60 Participants.
- CPD Category: Seminar CPD Activity: Seminar jointly organized by IEP Karachi / ACEP on Construction Management
Date: 31st August 2019
Location: IEP Convention Centre, Karachi
Duration: Full Day Program
Total number of Participants: More than 90 Participants.
- CPD Category: Conference CPD Activity: Conference on Procurement of Services, Works & Goods
Date: 24th July 2019
Location: Marriott Hotel, Karachi
Duration: Full Day Program
Total number of Participants: 180 Participants.
- CPD Category: Seminar CPD Activity: ACEP Seminar Titled “Bringing About Uniformity in the use of Seismic Code of Pakistan ETABS & SAFE by Structural Engineers”
Date: 16th November 2019
Location: Karachi School of Business & Leadership (KSBL), Karachi
Duration: Full Day Program
Total number of Participants: 63 Participants.

In 2020 & 2021, we cannot conduct CPD activities / programs due to the impacts of COVID-19.

We have conducted following CPD activities / programs in 2022:

- CPD Category: Seminar
CPD Activity: ACEP Seminar Titled “Designing of Post-Tensioning & Field Quality Control”.
Date: 10th March 2022
Location: Sir Syed University of Engineering & Technology (SSUET), Karachi
Duration: Half Day Program
Total number of Participants: 62 Participants.

We have conducted following CPD activities / programs in 2023:

- CPD Category: Seminar
CPD Activity: ACEP Seminar Titled “How To Be Professionally Effective At Workplace”.
Date: 27th January 2023
Location: Sir Syed University of Engineering & Technology (SSUET), Karachi
Duration: Half Day Program
- Total number of Participants: 24 Participants.

Conference on Sustainable and Smart Cities (ICSSC) from 15 to 16 June 2023 were postponed due to unavoidable circumstances.

We have conducted following CPD activities / programs in 2023:

- CPD Category: Seminar

CPD Activity: ACEP Seminar Titled “Planning and Designing Efficient High-Rise Buildings”.

Date: 06th October 2023

Location: Sir Syed University of Engineering & Technology (SSUET), Karachi

Duration: Half Day Program

Total number of Participants: 40 Participants.

WE HAVE CONDUCTED FOLLOWING CPD ACTIVITIES / PROGRAMS IN 2024:

CPD Category: Seminar

CPD Activity: ACEP Seminar Titled “Fire & Safety in High-Rise Buildings”.

Date: 18th January 2024

Location: Sir Syed University of Engineering & Technology (SSUET), Karachi

Duration: Half Day Program

Total number of Participants: 65 Participants.

ACHIEVEMENTS OF ACEP:

“EXCELLENCE AWARD 2021 – PAKISTAN ENGINEERING COUNCIL (PEC)”

“FIDIC ASIA PACIFIC EMERGING LEADERS AWARD 2023”

Engr. Abdul Haseeb Mansuri awarded with FIDIC ASIA PACIFIC Emerging Leaders Award 2023, nomination was sent by Association of Consulting Engineers Pakistan (ACEP)

International Conference on Sustainable and Smart Cities (ICSSC)

FROM 15 TO 16 JUNE 2023 WERE
POSTPONED DUE TO UNAVOIDABLE
CIRCUMSTANCES

The poster features a central graphic with a city skyline, a portrait of a bearded man in a red cap, and two circular logos. The left logo is for the University of Engineering & Technology (UET) with the motto 'Knowledge for Future'. The right logo is for ICSSC, showing a globe with a green leaf. Below the graphic, the text reads '1st ICSSC' and '1st International Conference on Sustainable and Smart Cities'. A list of sub-themes is provided on the left, and the dates '15-16 June 2023' and a registration link are on the right. At the bottom, there are three columns: 'Conference Scientific Steering' with names Prof. Dr. Yali Uddin, Prof. Dr. Mir Shabbar Ali, and Dr. Mohammad Imran; 'For Further details, contact' with Engr. Ayan Raza, Faculty Civil Engineering Department, and email ayan.raza@uet.edu.pk; and 'For Registration Scan Me' with a QR code.

1st ICSSC
1st International Conference on Sustainable and Smart Cities

Sub Themes:

- Smart & Sustainable Bio-Climatic Construction Materials
- Sustainable Infrastructure Design and Management
- Intelligent Transportation System
- Geo-Technical & Highway Engineering
- Construction & Water Resource Management
- Structural Health Monitoring of Existing Structures
- Energy Efficiency of Residential & Industrial structures
- Conservation and Rehabilitation of Historical Buildings
- Flood Resilient Infrastructures.

15-16 June 2023
